DISTRICT BUSINESS

Meeting Minutes

The minutes of the September meeting were approved as written. Motion made by Ron and seconded by Donald. Passed.

Financial Report

Donald reviewed the financial report and noted that the District's net income for June through September was almost \$32,000, which was associated with several solar farm plans, and the \$15,000 FY2010 funding allocation from Cumberland County. Motion to approve the report made by Ralph and seconded by Buddy. Passed.

251 Report

Mike discussed the report and noted routine activity. Of the 27 new applications, 8 of them were solar farms, with the remaining projects largely consisting of commercial building and church projects. Motion to approve the report made by Ralph and seconded by Buddy. Passed.

SSCC

John discussed the performance measures requested by the Christie administration. The Districts are required to submit the number of 251 inspections conducted on a monthly basis. The District requested some clarification on what constitutes an inspection and John will follow-up. John discussed the annual

NRCS

Marybeth presented the NRCS reports for the Cumberland and Salem NRCS field offices. NRCS is in the process of revising the screening questions for EQIP. Ralph motioned to approve and Buddy seconded the cooperator agreements for approval. Passed.

SADC Water Allocation

Torrey reported that a Salem County 8 year application for a 6-inch irrigation well was tabled by SADC because the farmer did not have a water allocation permit.

Budget

Mike presented the FY2011 budget. Due to the uncertainty of income from the Chapter 251 program, the budget was conservatively prepared. Ralph motioned to approve and Buddy seconded the FY2011 budget approval. Passed.

County Funding

The District received a \$15,000 FY2010 allocation from Cumberland County. Mike will contact Salem County to determine the status of the Salem County allocation which in the past has been \$4,500.

It was motioned to close the open session, and go into closed session to discuss District business. Being no further open session business, the open portion of the meeting was adjourned at 8:35 p.m. Motion made by Donald and seconded by Ron. Passed.

Chairperson Torrey Reade opened the closed session at 8:40 p.m.

The closed session meeting was adjourned at 9:15 pm.
Motioned by Ron, seconded by Donald and passed unanimously.

A motion was made at 9:16 by Donald to open the regular meeting, seconded by Ron and passed unanimously.

A motion was made at 9:17 by Buddy to close the regular meeting, seconded by Ron and passed unanimously.

DISTRICT BUSINESS

Meeting Minutes

The minutes of the September meeting were approved as written. Motion made by Ralph and seconded by Ron. Passed.

Financial Report

Donald reviewed the financial report and noted that the District's net income for was \$30,235.65, which was associated with several large solar farm plans. Motion to approve the report made by Ralph and seconded by Ron. Passed.

251 Report

Mike discussed the report and noted routine activity. Solar Farm plans continue to be the majority of new plans received by the District. Motion to approve the report made by Ralph and seconded by Buddy. Passed.

Reorganization

The Board of Supervisors reorganized as follows:

Ron Thomas - Chairman
Ralph Sickler - Vice Chairman
Buddy Laning - Secretary/Treasurer

Buddy will assume the role of secretary/treasurer following Donald Garrison's resignation at the end of the year

NRCS Field Offices. Ron reported that the Salem/Goodenough Service Center received 96 EQIP applications for 2011. Tom Drewes informed the District that he will be retiring from NRCS at the end of the year. Ralph motioned to approve and Donald seconded the approval of the NRCS action items. Passed.

NRCS 1619 Agreement

The District reviewed and signed NRCS 1619 confidentiality agreement. Signed copies will be forwarded to the local NRCS offices, along with a copy to the SSCC.

Carmen Adamucci Farmland Preservation

Mike informed the Board that Carmen Adamucci is in the process of preserving his farm. The District formerly had an erosion control plan for resource extraction on approximately 12 acres of the farm. Carmen completed the resource extraction, and stabilized and restored the area in accordance with the erosion control plan.

Buddy Shimp Farmland Preservation

Buddy Shimp is also in the process of preserving his farm. The District currently has an erosion control plan for resource extraction on approximately 6 acres of the farm. SADC is in the process of trying to clarify and properly deal with this area of the farm prior to preserving the farm. The District forwarded a copy of the plan to the SSCC.

Solar Farm Disclaimer

Mike reviewed the Solar Farm Disclaimer with the Board. It was unclear if this disclaimer had been reviewed with the attorney general. Louise was going to follow up with the SSCC to determine if legal review had been completed.

It was motioned to close the open session, and go into closed session to discuss District business. Being no further open session business, the open portion of the meeting was adjourned at 8:30 p.m. Motion made by Donald and seconded by Ron. Passed.

Chairman Ron Thomas opened the meeting at 7:04 p.m. Due notice by order of the "Sunshine Law" was given and noted.

DISTRICT BUSINESS

Meeting Minutes

The minutes of the June meeting were approved as written. Motion made by Buddy and seconded by Torrey. Passed.

Financial Report

Mike reviewed the financial report and noted that the District's net income from June 16, 2011 through September 15th was \$10,244.55. Chapter 251 revenue was \$33,540.00 which was associated with solar, commercial, and utility projects. Motion to approve the report made by Torrey and seconded by Ralph. Passed.

251 Report

Mike reviewed the 251 report, and noted routine activity. The District has been working with the Cumberland County Public Works Department to assist with the flooding during the August 14th storm, and Hurricane Irene. Cumberland County has been very willing to work on drainage issues associated with agriculture, so long as the farmer is willing to assist as well. New projects largely consist of utility, commercial, and solar projects, and a few single family homes. Motion to approve the report made by Torrey and seconded by Ralph. Passed.

Jersey. Mike and Ron were planning on attending the conference. John reported that the SSCC is planning to review the fees associated with solar projects, and that Districts should track the time associated with these projects. John has been working with NJDEP to get funding allocated for entering data into the stormwater database, and has also been looking for funding for District to conduct Stormwater Management Plan audits of the Municipalities.

NRCS

Marybeth presented the NRCS reports for the Cumberland and Salem NRCS field offices. NRCS presented several farm conservation plans for preserved farms. Marybeth reported that the CAP agreement was approved for another year, which will help to fund the CAP staff. Torrey motioned to approve and Ralph seconded the approval of the NRCS action items. Passed.

Overdevest Nursery - Art Boss

Mike reported that the District received correspondence from Art Boss regarding flooding issues associated with overflow from a tailwater recovery pond at Overdevest Nursery. In addition, a right-to-farm complaint was filed at the Cumberland County Ag Development Board. Currently the complaint is being handled by the SADC for mediation.

FY2011 Audit

Mike reported that Nightlinger Colavita and Volpa have begun work on our FY2011 audit, and should be completed by the October Meeting.

It was motioned to close the open session, and go into closed session to discuss District business. Being no further open session business, the open portion of the meeting was adjourned at 8:15 p.m. Motion made by Torrey and seconded by Ralph. Passed.

Chairman Ron Thomas opened the closed session at 8:20 p.m.

The closed session meeting was adjourned at 8:45 pm.
Motioned by Ralph, seconded by Torrey and passed unanimously.

A motion was made at 8:50 p.m. by Torrey to open the regular meeting, seconded by Buddy and passed unanimously.

Meeting Minutes - January 24, 2012

Present

Ron Thomas	Marybeth Sorrentino	Ralph Sickler
Mike Bonham	Buddy Laning	John Showler
Henry Dubois	Torrey Reade	

Chairman Ron Thomas opened the meeting at 7:00 p.m. Due notice by order of the "Sunshine Law" was given and noted.

DISTRICT BUSINESS

Meeting Minutes

The minutes of the October meeting were approved as corrected. Motion made by Ralph and seconded by Buddy. Passed.

Financial Report

Mike reviewed the financial report and noted that the District's net income from October 16, 2011 through January 15, 2012 was \$(-19,475.02). Chapter 251 revenue was \$12,735.00 which was associated with commercial and utility projects. The District audit payment of \$2,625 was made to Nightlinger, Colavita and Volpa during this period. Motion to approve the report made by Torrey and seconded by Henry. Passed.

251 Report

Mike reviewed the 251 report, and noted routine activity. Site work on most projects has continued thus far due to the mild winter. The District has been issuing winter compliances for projects that are ready for CO's, but have not completed final stabilization. The District will re-inspect these projects in the Spring once final stabilization has occurred. Motion to approve the report made by Torrey and seconded by Henry. Passed.

nominations and re-nominations for persons to be considered for appointment be submitted by the local nominating committee by April 16, 2012 in preparation for the May 14, 2012 SSCC meeting. John reported that the Supervisors Meeting for the South will be held in April at the Italian Affair in Glassboro. The SSCC is working on publishing the 251 Standards to the internet. John reported that the SSCC is currently working with NJDEP to get funding for database entry of stormwater basins.

NRCS

Marybeth presented the NRCS reports for the Cumberland and Salem NRCS field offices. The NRCS EQIP 2012 initiatives include organic, seasonal high tunnels, and energy. NRCS continues to work on current EQIP contracts. Marybeth updated the Supervisors on the Discrimination Claims process for Hispanic & Women Farmers. NRCS presented several farm conservation plans for preserved farms. Torrey motioned to approve and Ralph seconded the approval of the NRCS action items. Passed.

FY2011 Audit

Mike discussed the FY2011 audit which was provided to the Supervisors at the previous meeting. The auditor had no comments or issues with the FY2011 audit. Torrey motioned to approve and Buddy seconded the approval of the FY2011 Audit. Passed.

Boss vs Overdevest (Right to Farm)

Mike informed the Supervisors that the Boss/Overdevest Right to Farm had been forwarded to the SADC for mediation. NRCS is working on an engineering report with additional conservation measures for review.

District Vehicles

Mike discussed the current status of the district vehicles. The District owns a 2003 Ford Explorer and a 2002 Ford F-150. The Explorer is approaching 100,000 miles, and discussed the possibility of replacing it with something newer. After discussing the maintenance of our current vehicles versus replacement, it was determined that Mike would look into pricing at the State Contract, and report back to the Supervisors.

It was motioned to close the open session, and go into closed session.

DISTRICT BUSINESS

Meeting Minutes

The minutes of the January meeting were approved. Motion made by Torrey and seconded by Ralph. Passed.

Financial Report

Mike reviewed the financial report and noted that the District's net income from January 16, 2012 through February 15, 2012 was \$8,038.25. Chapter 251 revenue was \$12,675.00 which was associated with commercial and utility projects. Motion to approve the report made by Henry and seconded by Torrey. Passed.

251 Report

Mike reviewed the 251 report, and noted routine activity. South Jersey Gas has been extending gas mains throughout Cumberland and Salem County, and the plans for these gas main extensions consisted of the majority of new plans for the month. Motion to approve the report made by Torrey and seconded by Buddy. Passed.

SSCC

John reported on the detention basin data entry project that the SSCC has been working on with NJDEP. The Districts upon entering into a Memorandum of Agreement with the SSCC and NJDEP would be required to enter detention basin data into the Rutgers online database. The funding for this project is coming from NJDEP, and is approximately \$5.60 per basin. Concerns were raised regarding the ability of the Districts to

...other projects that the Districts could work on. John also stated that the SSCC was working on developing a data entry fee that would be applied statewide to allow for data entry on new projects. John reported that the Supervisors Meeting for the South will be held on April 24th at the Italian Affair in Glassboro.

NRCS

Marybeth presented the NRCS reports for the Cumberland and Salem NRCS field offices. The NRCS EQIP 2012 initiatives include organic, seasonal high tunnels, and energy. NRCS - State

Don Pettit, NRCS State Conservationist introduced himself to the Board. Don mentioned that NRCS values the work the SCDs provide, and plans to strengthen ties with the SCD's statewide. He also noted that nationally NRCS is working to strengthen their partnership with other agencies in order to continue to provide services as NRCS budgets are reduced. NRCS is also developing the "field office of the future", and is trying to plan ahead for what their field offices may need in the next five years.

Supervisor Nominations

Chairman Ron Thomas reported that the supervisor nominating committee will consist of Dave Ackley, Lew Stoms, John Coombs, Doug Mehaffey, and Donald Garrison. Dave Ackley will serve as the Chairman. The nominating committee meeting will be held on April 13th at 9:00 a.m., and notice will be given to the Bridgeton Evening News, Today's Sunbeam, the Cumberland and Salem County Clerk's office, and posted in the District Office. Motion to approve the report made by Buddy and seconded by Torrey. Passed.

District Staffing

Ron Thomas reported that the District has discussed hiring a part time employee to help out with plan review and inspections. Mike will contact some of the southern Districts to see if they have a job description template that can be used. Motion to approve made by Buddy and seconded by Ralph. Passed

Regional Supervisors Meeting

The Regional Supervisors Meeting for the South will be held on April 24th at the Italian Affair in Glassboro.

Database Entry Funding - Stormwater Basins

John reported on the detention basin data entry project that the SSCC has been working on with NJDEP. The funding for this project is coming from NJDEP, and is approximately \$5.60 per basin.

SSCC Staff - Restricting of the NJ Soil Erosion and Sediment Control Program

Frank Minch reported on the White Paper which was prepared as an internal document in accordance with Executive Order #2. The White Paper was presented to the Lt. Gov's Office, and then distributed to other agencies. Eventually the White Paper was provided to the Freehold Soil Conservation District by NJDEP staff. Frank discussed the concerns which prompted the preparation of the White Paper. On March 8th, members of the Conservation Partnership met with Secretary Fisher to discuss the potential restructuring of the SESC program. The Secretary identified seven areas where the SESC program needed to be improved, and gave the Conservation Partners 90 days to address the seven areas. Mike reported that a group of Managers, Supervisors, and representatives from the Conservation Partnership are working to address those seven areas.

Upper Deerfield Exempt Municipality

Mike presented the exempt municipality annual review form for Upper Deerfield. The District handles all of the SESC work for Upper Deerfield. Motion to approve made by Buddy and seconded by Torrey. Passed

NOMINATING COMMITTEE MEETING MINUTES – April 13, 2012 9:00 a.m.

In accordance with the Open Public Meeting Act, this meeting was advertised in the News of Cumberland County and Today's Sunbeam, posted at the County Clerk's offices of Cumberland and Salem counties and at the Cumberland-Salem Conservation District office.

Present: Dave Ackley (Chairman)
Doug Mehaffey
Lewis Stoms
John Coombs
Donald Garrison
Mike Bonham (recording secretary)

Chairman Dave Ackley opened the meeting at 9:00 a.m. A quorum is present. He asked for new nominees from the floor. There were no new nominations presented from the public or the committee.

The supervisor for renomination was Ralph Sickler. After review of Ralph's participation in SSCC approved meetings, and attendance at District meetings, Lew motioned to accept the renomination of Ralph Sickler for a new term. The motion was seconded by Doug and all were in favor.

The supervisor for renomination was Torrey Reade. After review of Torrey's participation in SSCC approved meetings, and attendance at District meetings, Doug motioned to accept the renomination of Torrey Reade for a new term. The motion was seconded by John and all were in favor.

Mr. Ackley asked if there was any further business to discuss. Being none, he moved to adjourn the meeting at 9:45 a.m. Motion made by Lew and seconded by Donald, and all were in favor.

Respectfully submitted,

David Ackley
Nominating Committee Chairman
