

Additional 251 Fees

Inspections

1. **Re-Inspection Fee** – A \$95.00 re-inspection fee shall be charged when a report of compliance is made and the site is not stabilized according to the standards and/or the certified plan.
2. **Winter Compliance Fee** - A \$95.00 winter compliance fee shall be charged when a temporary compliance is issued for a site that can not be permanently seeded due to adverse winter conditions.
3. **Violation Notice** – A fee of \$300.00 shall be charged upon the issuance of a violation notice.

Plan Review and Certification

1. **Re-Certification** – A fee of \$95.00 per hour shall be charged to review plans that were previously certified but have been revised by the applicant, or have expired (3 ½ years from the date of certification).

Note – Major revisions to a previously certified plan will result in the resubmission of the plan (including applicable fees).

Sediment Control Plan Withdrawal Policy

Upon written request by the applicant and approval by the District Board of Supervisors, a portion of the inspection and compliance fees may be refunded if the applicant withdraws the plan.

Fees for Extraordinary Expenses

Where a project continues beyond the original period or where extraordinary review, inspections or other service have exhausted the original project payment, the district shall notify the applicant that additional fees shall be required

Such additional fees shall be based upon \$95.00 per hour for such required additional services or shall be based upon current fees for the disturbance, number of lots, or other units remaining to be completed and stabilized with permanent measures to control soil erosion and sedimentation.

The District shall, upon the applicant's request, provide an accounting of services provided which have resulted in the exhaustion of the original inspection and enforcement fee payment.

All legal fees shall be paid by the applicant as a result of said action being taken by the District due to non-compliance of the Erosion Control Plan, Stop Work Order, or issuance of a Violation Notice. All District staff time for said action shall be based at \$95.00 per hour.

Returned Check Charge

A \$30.00 charged will be assessed for any check that fails to properly clear.
